

Company Profile

LUXURY HANDCRAFTED IN ITALY

Who We Are

Founded in 1956 by Domenico Carbotti in Martina Franca, Italy, CARBOTTI began as a small artisan workshop dedicated to craftsmanship and attention to detail. Over the decades, the company has evolved into a modern and forward-looking company while staying true to its artisanal roots and the values instilled by its founder.

The company specializes in crafting high-quality women's handbags, ensuring that every product reflects both uniqueness and excellence. By prioritizing respect for the environment and the well-being of everyone involved in the production process, CARBOTTI delivers timeless pieces that resonate with modern consumers.

Combining a family-oriented approach with a global outlook, CARBOTTI embodies the perfect balance of tradition and innovation. The company's dedication to quality, sustainability, and craftsmanship ensures its continued success in the competitive fashion industry.

Our Values

CRAFTSMANSHIP

Carbotti is committed to delivering the highest quality, selecting the finest leathers and employing artisanal techniques that ensure durability and perfection.

Every step of the production process, from the manual cutting of the leather to the finishing with glue and cork, is meticulously executed.

Our Values

SUSTAINABILITY

The brand is committed to using only the finest materials, such as Italian vegetable-tanned leather. This choice not only ensures durability and elegance but also aligns with sustainable practices.

Leather, a by-product of the livestock industry, is transformed into a high-value product through tanning, reducing waste and helping to minimize environmental impact.

Our Values

TIMELESS ELEGANCE

CARBOTTI's designs are crafted to transcend fleeting trends, offering timeless appeal that resonates with discerning customers.

Our creations are not bound by the constraints of seasonal fads but are instead rooted in a philosophy of timeless sophistication. Each piece is carefully crafted to remain stylish and meaningful for years to come.

Key Strengths

CERTIFIED MADE IN ITALY EXCELLENCE

CARBOTTI proudly embodies the heritage of Italian craftsmanship, with every product bearing the prestigious "Made in Italy" certification.

This guarantees not only superior quality but also adherence to the highest standards of design and production, reflecting Italy's rich tradition of luxury and artistry.

Key Strengths

UNIQUE AND FINEST DETAILS

No detail is overlooked, as it is in the precision and harmony of every element that Carbotti's artisanal excellence shines through.

The octagonal closure, featuring the initials "C" and "D" revisits a design by founder Domenico Carbotti, while the octagon symbolizes feminine energy and the elements of nature.

Additionally, the brand provides customization options, allowing clients to create unique, personalized pieces that reflect their individual style.

Key Strengths

GLOBAL PRESENCE

With a strong international footprint, CARBOTTI has successfully expanded its reach to key markets such as Japan, the USA, and Europe.

This global presence underscores the brand's ability to cater to diverse tastes and preferences while maintaining its core values of quality and craftsmanship.
